Sanders Appoints Edward L. Wong and Moti L. Vyas to the Board of Directors of the San Diego Data Processing Corporation

San Diego – Mayor Jerry Sanders has appointed Edward L. Wong and Moti L. Vyas to the Board of Directors of the San Diego Data Processing Corporation.

Mr. Wong is an executive with change leadership and business turnaround experience. He presently serves as the Executive Vice President and Chief Supply Chain Officer for Charlotte Russe Holdings Incorporated, and has been with the company since 2003. He is a member of the Steering Committee for the \$700 million fashion retailer with over 390 stores and provides corporate strategic planning and operational leadership for planning and allocation, logistics and information technology organization within the company. He has executed an IT strategic plan as well as establishing IT policies and operational practices for Sarbanes-Oxley compliance.

Prior to joining Charlotte Russe, Mr. Wong served in executive and management posts with numerous private sector corporations including: Factory2-U Stores, ProfitLogic, Gymboree, Eddie Bauer, Gap, and the Mervyn's division of the Target Corporation.

Mr. Wong holds a B. A. in Philosophy from the University of California, San Diego. He is a resident of Council District 1 and resides in La Jolla. Mr. Wong will replace Scott Tulloch, whose term has expired, for a term ending July 14, 2008.

Mr. Vyas presently serves as the Chief Information Officer for Viejas Enterprises and is an executive with extensive IT experience in operations, project management, systems deployment and risk management.

As CIO, Mr. Vyas manages a \$10 million budget at a state-of-the-art gaming and entertainment casino and operates a high-performance IT department designed to preserve a mission-critical 24/7 culture.

Prior to joining Viejas in 2003, Mr. Vyas served as a Senior Project Management Consultant with Merck & Company, Inc. where he managed virtual teams of 10 to 15 business analysts and technical staff at multiple global locations. Among his accomplishments was deploying a common global e-procurement system on time and on budget, reducing costs from \$7 to \$0.50 per transaction.

Prior to his work with Merck, Mr. Vyas held the post of Director, Systems Integration and Country Manager with Mirronex Technologies and was a management Consultant with PriceWaterhouseCoopers.

Mr. Vyas holds an M.S. in Computer Science from Steven's Institute of Technology and a Ph.D. in Astronomy and Astrophysics from Osmania University, Hyderabad, AP, India. He holds certification as a Project Management Professional from the Project Management Institute and has attended the CIO Bootcamp organized by futurist Thornton May.

He is a resident of the City of La Mesa and will complete the unexpired term of J. Lance Wade, who has resigned, for a term ending July 14, 2008.

Both of these gentlemen are knowledgeable industry leaders with skills in complex technology applications and strategic business initiatives. Their willingness to share their extensive experience is commendable and will well serve both DPC and the citizens of San Diego.
